

This model contract for IOBC endorsed organisations contains in red color the items that must be included in the contracts between organisation and individual member. Contract structure and additional items are chosen by the organisation to satisfy its specific needs.

Name and address of IP organisation

**Grower Contract 2003** (if annually renewed)

Name, full address and phone/e-mail of grower

.....  
As a grower participating in the xxxxxxxx program I agree with and understand the following conditions for certification.

- (1). To acknowledge and accept the rules and guidelines of the organization
- (2). To apply the IP program voluntarily and on my own risk
- (3). To apply the IP program on the entire surface of the farm (or of the given crop for which IOBC endorsement has been applied for by the organisation, e.g. pome fruit production)
- (4). To attend a mandatory introductory course and participate in regular training courses of the organisation
- (5). To accept a successful transition period of 2 years before certification is granted.
- (6). To make **complete and only true** farm records as required by the organisation
- (7). To refrain from the miss-use of any certificates or labels provided by the organisation
- (8). To allow authorised inspectors of the organisation access to the farm and all pertinent infrastructures.
- (9). Participant declares strict observation of the social requirements defined by the ILO Charta, especially
  - the abolition of child labor
  - the abolition of forced labor
  - the provision of wages above the minimum existence level
  - the provision of working conditions respecting adequate health and security standards and providing adequate quality of basic services and facilities.

I acknowledge that this contract does not guarantee certification. The awarding of certification is dependent upon successful completion of the program requirements.

I agree to pay any dues or assessments required by the organisation.
