### IOBC-WPRS Bulletin

The IOBC-WPRS "Bulletins" are a well established series of relatively fast issued working papers in a systematic format. Bulletins are proceedings of Working and Study Group meetings and Commission activities. The number of volumes varies each year (10-15 volumes). This publication is an important support to the Working Groups of WPRS.

IOBC-WPRS Members have online access to the full content of all recent Bulletins.

[IOBC-WPRS Bulletins 1998-2005](#): Free online access

[IOBC-WPRS Bulletins from 2006](#): Restricted to IOBC-WPRS members
