Flora Boskoop, The Netherlands

WAGENINGEN
UNIVERSITY & RESEARCH

Dear colleagues,

We are very pleased to announce that the website for the IOBC-WPRS Working Group “Integrated Control in Protected Crops, Temperate Climate” meeting in Boskoop, **The Netherlands from 31 August to 3 September 2026** is now open. You can find all relevant information on our [website](#), such as the important dates, abstract submission, registration, sponsoring, the preliminary programme etc.

In this second announcement we would like to ask your attention for the following:

Short abstract submission

We ask all participants that are interested to present their work at the conference to submit a short abstract (about 300 words). Based on these abstracts we will build the scientific programme and identify the themes. The deadline for a short abstract is **31 January 2026**. Please note that this is not the final submission. After the selection procedure, we will invite you to submit a full paper or extended abstract in the standard IOBC format. The deadline for that is **30 April 2026**.

Registration

The early bird registration is now open and ends on **1 March 2026**. The regular registration deadline is **15 August 2026**.

All other information you can find on our website: <https://iobc-greenhouse-wgm2026.org/>

We look forward to see you all in Boskoop!
